Para 2 of the P.V.D.:

Dear Sir,

Re: Revised Rules of Recruitment.

As per para (5) of the Rules contained in G.O. No. 6447-546 dated 23-2-1935, temporary arrangements made pending issue of lists have to cease after the lists are issued. The lists are published in the Gazette and I wish to know if the existing arrangements may continue till candidates in the list join the places, as this takes some time and work suffers during the interval, if there is no worker.

Before the issue of the revised rules, an experienced official of 15 years' service on Rs. 30/- was appointed sub-pro-tem in a vacancy on Rs. 40/- and is continuing. According to the revised rules, the latter vacancy is one of Class I and before promotion could be made to this vacancy from Class II, two such vacancies in Class I should be thrown open for direct recruitment. But, as this appointment was made before the issue of the revised rules, kindly let me know if the existing arrangements may continue and the last vacancy in Class II also filled up as per latest rules.

In the lists of candidates, assigned to this Unit and appeared in the Gazette of 7th March 1935, only the name of one candidate viz., Mr. Nazir Ahmed, B.A., who is now working in this Department, has appeared and the names of other temporary and acting officials furnished in this office letter No.1671 dated 29-8-1934, as per C.R.B. Memorandum No.1405-8-34 dated 16-8-1934, have not appeared. Whether supplemental

list

list will be published including these names, may also be kindly advised.

For attending to the closing of accounts in connection with Arasalu-Anandapuram Railway, sanction has been sought for for an Accounts clerk on Rs. 50/- per mensem, for three months and for this special work, we would require the services of an experienced man from the Audit Department. In case the appointment is sanctioned by our Agent, please advise if a clerk from Audit office may be transferred to this place and the last vacancy in the Audit office caused thereby, filled up by selection from the list assigned to that office.

with thanks, in advance

Yours sincerely,

Y.R. Ramachandra Rao.

Just in this connection, I am to add that it has been represented by some acting or temporary officials, (who were appointed prior to 1st July 1934 thro' the C.R.B. or regularly under the previous Rules) and are duly continuing in those vacancies, that they have also been or about to be given notice to vacate now, though the vacancies are continuing or likely to continue. Such a course of action, if it is a fact, would not be in order under the orders and instructions that have been issued under the Revised Rules. I am to invite reference to para 5. of the O.M. of Supplemental instructions (No. 6447-546/CAB 27-34-I dated 23.2.1935) and to G.O. No. 2877-2976/CAB 1-34-2 dated 3.10.1934 issuing revised instructions regarding the continuance and confirmation temporary and acting officials in service, and to make it clear that it is only the temporary arrangement if any made from 1st July 1934, pending issue of approved lists should cease immediately after the receipt of the list, and all appointments to be made should be from the approved lists. The temporary arrangements made prior to 1st July 1934 and are continuing would be governed by the G.O. of 3rd Oct 34 (referred to above) and would continue undisturbed and need not be disturbed so long as the vacancies in which the arrangements were made continue, and further, they could also become permanent if the conditions specified in that G.O. are satisfied

Sir Dy Ch Engr,

With reference to your D.O. letter no 5676/H.4 A18 dated 11.3.1936 re— Revised rules of recruitment I am directed to state as follows:—

2) Re: para 1 of your letter:

The existing temporary arrangements (made upto 1st July 1936) may be continued, if found absolutely necessary, till the candidates appointed from the C.R.B. list to join duty.

4) Re para 2 of your letter:-

It is stated that the S.P.T. appointment of the experienced official with long service on Rs 30, (refused to)

was
~~is stated to have been~~ made in a vacancy on Rs 40/- before the issue of the revised rules and to continuing. It is presumed that that appointment was in order under the Rules in force at the time. In the circumstances of this individual case, the existing arrangements may however continue, and the last vacancy in class II may be filled up from the present approved lists, as per Rules.

5) Re: para 3 of your letter:-

The lists of acting and temporary officials called for from this office was only for reference and verification purposes and not necessarily for inclusion in approved lists. Each candidate had to apply in the manner prescribed for inclusion in the approved lists. The case of each applicant has been fully considered with reference to relative qualifications, service, previous recruitment and other relevant points. If a particular name has not

appeared in the approved lists. It may be either because he was not qualified or could not be selected in preference or there was no scope for inclusion in for the particular unit. In the views of the requirements being limited. In Approved lists for your unit, we have here been assigned, on a general estimate of ~~your~~ the probable requirements, 8 names for class I and 4 names for class II for the clerical appointments. The question of supplemental lists would arise only when such a contingency is felt and reported, i.e. when it is felt at this office, that the names now given are likely to be exhausted and some more names are needed for the demands that may arise. But immediately, there seems no need for supplemental lists.

Re para 4 of your letter:-

The vacancy of Accounts clerk on Rs 80- may, if sanctioned, be filled up by the transfer of an official (in service) from the Audit Off. and there is no objection to such a
